PROGRAM HIGHLIGHTS

- **Field Experience:** Gain firsthand insight into innovative initiatives focusing on the SDGs at Silicon Valley universities, companies, and NGOs.
- **Hands-on Learning:** Build leadership and problem-solving skills through workshops on impact-focused frameworks, like design-thinking.
- **Personal Growth:** Clarify your values and vision for the future, and take your first step toward becoming a social impact leader.
- **Networking:** Explore new career paths and connect with leaders who are addressing social issues in a range of fields and industries.

WHO SHOULD APPLY

We welcome students and early-career leaders under 35 from all nationalities and professional or academic fields who are passionate about creating positive social change and seeking clarity, direction, or more meaning in their professional journeys.

“—
The program really helped me get to know myself better, opened my mind and enhanced my communication skills. It also made me feel confident that I have the ability to make a social impact and opened my eyes to new possibilities of my future. And the most precious thing was becoming friends with people from diverse backgrounds!”

— Spring 2024 Participant from Japan
