修習課程 Courses available	<ul style="list-style-type: none"> ◆ Prerequisites Prerequisites are lower level coursework that must be fulfilled before a student can enroll in a higher level course. Many upper division classes have “pre-requisite” requirements. Exchange students will need to demonstrate, via transcripts and course descriptions, that they have completed equivalent coursework that satisfies the SDSU pre-requisites. Master’ s level courses are numbered between 600 and 799. These classes are not open to undergraduates. The General Catalog, Graduate Bulletin and Class Schedule all identify any prerequisites required for specific courses. Please check the notes in these documents carefully. ◆ Undergraduate exchange students can enroll in courses from all majors except: Nursing and Television, Film and Media Studies, and Nursing. ◆ Graduate exchange students need additional departmental approval for exchange admission. Here you will find a list of all Master’ s majors offered at SDSU. Admission process is lengthier for graduate level students as it is reviewed by multiple people and departments.

As approval into the program is dependent on the major department we cannot guarantee placement. ◆ List of current course offerings : https://sunspot.sdsu.edu/schedule/search ◆ Course catalog (with courses description), both undergraduates and graduates should refer to the Class Schedule for schedule information. ◆ Undergraduate exchange students typically take 4-5 classes per semester. Graduate exchange students typically take 3-4 classes. Most classes are 3 units (credits) in value. 1 credit/unit = 15 hours of classroom instruction. ◆ Be advised that immigration regulations require that undergraduate students take a minimum of 12 units and that graduate students take a minimum of 9 units. Exchange students cannot take more than 17 units because the workload is too great and it would not allow students to participate in student life.

If you want to study Business Administration (Accounting, Finance, Information Decision Systems, Management, Marketing,) Communications, Journalism; Television, Film, and New Media, or any of the other impacted programs listed on the web page above, enrolling in upper division classes in your major at SDSU will be challenging. In light of this situation, exchange students may not enroll exclusively in classes in the impacted programs. ◆ Graduate Level=Any graduate level program outside business (MBA) may have restrictions.
