APPLICATION MATERIALS

1. **DBMD Study Plan:** Select appropriate graduate courses at Temple University to fulfill remaining undergraduate requirements. If all undergraduate requirements will be complete prior to beginning at Temple, a DBMD Study Plan is not required.
2. **Letters of Recommendation:** 2-3 letters of recommendation (depending on major) submitted through department-specific application.
3. **Resume or Curriculum Vitae**
4. **TOEFL, IELTS, or Duolingo Score:** Applicants who have not received a degree in the United States are required to take either the Test of English as a Foreign Language (TOEFL), International English Language Testing System (IELTS) test, or the Duolingo Language Exam.
5. **Standardized Test Scores:** The GRE and GMAT are waived for majors outside of the Fox School of Business. Applicants to Fox may be eligible for a waiver on a case-by-case basis. For Fox applicants not receiving a waiver, GMAT or GRE scores can be forwarded electronically to Temple University's Graduate School (Institutional Code: 2906).
6. **Transcripts:** Official transcripts from all colleges/universities attended must be submitted to Temple University via the department-specific application.
7. **Application for Certificate of Eligibility (Form I-20):** Submitted in separate application. Please contact Global Programs for further information.

QUALIFICATIONS FOR DBMD PROGRAM

Entrance requirements vary according to the program in which the student chooses to enroll.

Graduate program requirements can be found by degree program at www.temple.edu/gradbulletin.

Students have the best chance of being admitted if they meet the following eligibility criteria:

- Minimum TOEFL® iBT 79; IELTS 6.5; Duolingo 110 (majors in disciplines such as Business or Communications require higher scores). GPA of 3.5/4.5 (3.0/4.0 or approximately 80%).
- GRE is waived for most programs, with the exception of the Fox School of Business (but waivers considered).
- Students must have completed most of the required coursework for their Bachelor's degree. Any remaining undergraduate courses will have to be completed in concurrence with, or in addition

to the graduate courses required for the master's degree.

- Completed undergraduate coursework meets most of the academic prerequisites of the graduate program. For instance, to apply to most business programs, students must have taken quantitative courses (in statistics and calculus) and/or management courses.
- Students apply to the DBMD program during their third or fourth year of undergraduate study at their home university. **Partner university alumni are also welcome to apply through the DBMD Plus model.**

Note: Students must maintain a 3.0 GPA while enrolled at Temple.
