IMPORTANT INFORMATION

Upon arrival at BBU, students coming from partner universities can be assigned a buddy (tutor) - a Romanian student who will help them get around town, move within the university and assist them in all of the necessary procedures.

BUDDY SYSTEM

Upon arrival, the students accommodated in the BBU dormitories will have to sign a contract with the dormitory administrator (standard procedure).

ACCOMMODATION

All foreign students will have to apply for a residence permit within the first 30 days from their arrival. The residence permit will have to cover their entire stay within the Romanian territory.

PRACTICAL INFORMATION

BBU ENROLMENT

Upon their immediate arrival, the CIC staff will issue requests for enrolment at the faculties the students want to study.

CLUJ-NAPOCA

Counting almost 500.000 inhabitants (of which around 100.000 are students), Cluj-Napoca is a vibrant town, with an active and dynamic social and cultural life. The many museums, parks, sports facilities, cafés, restaurants and clubs, as well as festivals organised all year round allow people of all ages insight into the town's history, culture and international life.

SAFETY

Cluj-Napoca is a truly safe town, with honest-minded people ready to give foreigners a hand all the time. Taxi-drivers, the youth, and generally all restaurants' and cafés' employees speak at least one foreign language (mainly English), so it's easy to get around.

HEALTH CARE

The University provides health care through its own medical clinic, as well as mental health clinic. One may seek medical assistance in any authorised medical unit, public or private. In case of any emergency/disease, one needs valid identification and residence documents in order to get the proper medical assistance.
