因為從小常造訪泰國，加上未來的職涯規劃至東南亞發展，因此，看到中山有這麼棒的交換計畫後就毅然決然的決定參加甄選，最後順利錄取了泰國第一學府朱拉隆功大學。以下為這豐富的一學期下來的感想心得。

首先是學要簡介，朱拉隆功大學在泰國是無人不知，無人不曉的名門大學，就好比是台灣的台大，是許多人從小夢寐以求的大學。裡面的學生個個是全國的頂尖學子，皆是多才多藝。而至於學校位置部分，位處首都的市中心，是全國交通及生活機能最好的地方，周圍商場百貨林立，讓課餘生活絕對也是多彩多姿。而朱拉的校園也非常大，各種設施應有盡有。當然，校園大可能移動的時間就會比較久，這部分完全不必擔心，校內有專門的多路線公車，班次也多，完全不用擔心在校內移動要趕去上課的問題！

而至於校內開設的課程，非常的全面，而且全部皆為英文授課，完全不需要擔心可能因為聽不懂泰文而無法聽懂老師上課的內容。基本上國際生事全部都可以選擇課程的，包含產銷人發財等科目應有盡有，加上位在曼谷市中心，又是泰國最高學府，因此許多課程還包含和國際企業合作開設，可以向國際一流企業參與企畫提案，將學校所學加以實用，非常有趣。當然，除了專業課程外，學校也為外籍生開設了泰語課程，還有按照能力分班，另外配一個 buddy，讓同學不只學習專業課程還能在台語能力有所提升，同時設計許多生活化情境介紹泰國文化與增加應用泰語的機會，簡言之，朱拉的課程安排絕對不會因為是交換就學不到東西，課程非常之多元。

當然，除了課內活動外，課外活動也是重要的一環，在這短短一學期，參加了學校的壘球社以及 IGEN project，壘球部分比較意外的是他們打的是快壘，和國內社團大部分是慢壘不太一樣，不過對於曾經是棒球隊的來說並不算太難，也在此認識了許多棒球同好。另外是 IGEN Project，是個國際性的組織，屬於服務性社團，會深入泰國偏鄉進行社會服務，非常別具意義，也在服務的過程中認識了更為真實的泰國，在無誤期間也認識了許多不同學院甚至是不同大學的夥伴，成為非常要好的朋友，在這次交換結束歸國後又馬上飛去找他們玩！

在效益面，總的來說，第一當然是在學業專業上的成長，學會和不同國籍的同學合作，加上多元的課程開設，度過充實的一學期，另外是語言能力不論是英文或是泰文皆有提升，甚至因為和泰國同學在互動時會教一點中文，而他們使用的中文為對岸的拼音系統，也因此學了一點。在課餘方面，除了多參加活動增廣見聞外，在在過程中漫漫更認識自己，不僅是生活打理更為自主，在思想與人生方向亦有更為明確自立的主見。真的非常開心學校有提供這樣的機會，讓我能再人生精華的大學時光到世界走走，有所成長，也非常推薦學弟妹有機會不要錯過這難得的機會。

Exchange Life Review

Having been to Thailand many times, I love Thai a lot. In the future, I hope to work there one day. To make the dream come true, I applied for the exchange program to the most famous university, Chulalongkorn University, in Thai. Not only famous for its high quality, Chula is also famous for its great location. Being in downtown, there're lots of stores near the university, and the traffic are very convenient, which make the life after school also very amazing. Another main feature of the university is that the campus is very big. There are a lot of facilities we can enjoy. Because the campus is large, it might be difficult to move around the campus. Fortunately, it would not be a problem in Chula because there are many lines of school buses in the campus, which make moving in the campus very convenient.

As for the courses in Chula, there are lots of courses in different fields. No matter you want to major in marketing, human resources, or financial, the university offers many courses and chances to improve ourselves. Not only the major courses, there are also many free Thai language lessons for foreign students in the university.

Of course, in addition to the courses, club life is also very important in our university life. During the exchange program, I have joined two clubs in Chula. The first one is the softball club. Though the way they played softball is different to us in Taiwan. It was quite easy to get used to it as being in a baseball team in my junior high

school. Really enjoyed playing softball in another country and made lots of friends who love baseball a lot. The other club I joined in chula is the IGEN project club. The project is an international organization around the world which mainly organized by the youth in the country who gather and wish to make a better world. The club in chula host a lot of meaningful events. We went to the remote region in Thai and helped them clean the environment, build some toilets. During the events, I not only enjoyed the happiness of making contributions for a greater world but also made a lot of new friends. Just one month after the exchange program, I went back to Thailand visited my friends celebrating birthday together and enjoy our valuable friendship.

This amazing exchange program really means a lot to me. During the program, I grown a lot. First, improve my major knowledge in management and the Thai language skills. Second, made a lot of friends and explore the world. Last but not least, after experiencing more than before, I know more about myself in both positive and negative sides. Also, the meaning of life. In the future, with the things I got in chula, I will work more harder to make my own dream come true. Really grateful having the chance to join in the fantastic program , also recommend other classmates to join in the exchange program in our school, exploring the world and know more about ourselves.
