## DRIVER'S LICENSE

An international driving license is required to drive in Taiwan.

Students from countries with reciprocal agreements with Taiwan can use their international driving license for up to 30 days after the arrival date. After 30 days, it is required by law to have a R.O.C. (Taiwan) International Driver License Permit or R.O.C. (Taiwan) Driver License if you wish to continue driving in Taiwan.

If your country does not have a reciprocal arrangement with Taiwan for international driving licenses, you will need to sit a written test and take a driver's examination. You can find more information [here](#).

- You will need a driving license to rent & ride a scooter in Taiwan.

## VEHICLE RENTAL

Please search for a certified company for renting a scooter/car.

A clear contract should be signed by both sides. The company should present their validated certificate and you should be asked to show your international driver's license.

The rental company should purchase compulsory insurance for vehicles.

Renting scooter/car with an uncertified company will cause serious consequences and might be illegal.

## PARKING ON-CAMPUS

You should apply for a parking permit to park your scooter on the campus. The fee is 300NTD per year.

If you didn't park your vehicle in designated areas, it could be towed.

Please visit the Vehicle Management Committee for applying for the parking permit.

Most of our dormitories are not covered by a wireless network, you can buy or bring a suitable cable for internet in the dorm.

Don't forget to bring an adapter for electrical appliances. The current in Taiwan is 110 volts.

The date of your arrival will be counted as Day 0 and you will take a deep-throat saliva test at the airport after landing. You are required to take a COVID-19 rapid test on the **7th** day before your quarantine is over.

### 2 3-DAY QUARANTINE + 4-DAY SELF-INITIATED EPIDEMIC PREVENTION

## Q&A

### 1 Do I need to bring masks or sanitizers?

It is compulsory to wear a mask under certain circumstances in Taiwan. It's easy to buy masks and sanitizers here. You can find them in convenience stores, marts, pharmacies, ...etc. If you are bringing masks from abroad, the amount should be under 250 pieces. If bringing more than 250 pieces, you will need to complete the declaration in advance.

### 2 Should I be vaccinated before I go to Taiwan?

We strongly suggested all students to have at least 2 COVID-19 vaccinations 2 weeks before their arrival if their health condition allows. Some of the places in Taiwan requires a certificate of 3 doses of vaccination for entry.

### 3 Can I complete the registration later if I'm still under quarantine?

Before your self-initiated epidemic prevention ends, do not arrange any meetings and appointments with people or enter the campus. The OIA coordinator will inform you of the deadline for registration.
