

26-1 學校簡介

首爾大學是一所位於韓國首爾的國立大學。最早直接前身是朝鮮高宗在 1895 年創建的法官養成所，後來的京城法學專門學校。1946 年，由大韓民國政府利用京城大學在內的 10 間學校的資源，成立**首爾大學**，是韓國國立旗艦大學中的一所。首爾大學 (Seoul National University) 與高麗大學 (Korea University) 和延世大學 (Yonsei University)，三所學校的英文名稱首字合併後，並稱為韓國大學的「一片天」(SKY)，並與韓國科技院及成均館大學在各項大學排行榜上常列前五大。

26-2 國外研修之課程學習 (課內)

我在首爾大學就讀的是資訊工程學系，一方面是因為他們沒有資訊管理學系，所以我選擇一個比較同領域的學系，另一方面是因為我想要上上看他們資工系的課程，享受一下頂尖的資訊課程洗禮。我這學期修了兩門課，一門是他們的通識課程「人際關係的心理學」，該課程使用韓文上課，開學時老師會幫大家分組，把年紀、科系、性別不同的人放在同一組，以增進討論時的多元性。我們這一組總共有八位同學，有法文系的、政治系的、醫學系的、造船系的、電機系的...真的都來自不同領域。每週需要針對課堂內容的討論議題分享自己的想法，大部分都是日常生活中的經驗，像是「我人生中最重要朋友是誰？為什麼？怎麼認識的？」這種討論內容，並彙整繳交一份討論紀錄。這門課沒有期中考，但是有期末考、期末小組作品、期末個人報告書，還要配合心理研究所的研究參與實驗。期末考的內容是整個學期的教學內容，形式是筆試，包含了選擇題跟簡答題。期末小組作品呈現方式十分多元，老師甚至說可以用默劇或是合唱的方式呈現(據說老師比較不喜歡無聊的 ppt 報告)，幾乎可以說是沒有任何限制，只要內容跟人際關係這個主軸有關係就可以。我們這組選擇拍攝微電影，復刻了韓國已停播的高人氣綜藝節目「SNL Korea」的三分鐘系列，運用了我們在課堂上學到的心理學理論，獲得了很棒的迴響。其他組的呈現方式也很有趣，有的模仿熱門戀愛時境秀，製作了類似的相親節目，有的製作組員們改善自身人際關係的紀錄片，有的則以話劇呈現。而個人報告書的部分，需要寫滿 4-5 頁的 A4，字體大小限制為 10，內容是針對自身人際關係的改善與結果報告。這門課是以 pr 值來給等第分數。另外一門課是資工系的 seminar，內容就是跟我們本校資管系系上的 seminar 差不多，唯一的差別是首爾大的卡司真的很厲害！演講者中不乏創業人士、或是像是一些大公司的主管(Line、三星等等)，Line 的演講者甚至準備了抱枕等周邊商品送給答對問題的同儕，真的很大方！這門課只要缺席不超過三次就可以通過。

26-3 國外研修之生活學習 (課外)

對我來說，最大的生活學習就是韓文能力的淬煉。雖然我考到了韓檢 5 級，可是還是沒有辦法 100% 聽懂當地人的對話，所以像是在跟室友們聊天的時候，因為他們都是韓國人，也知道我會講韓文，所以大家講話速度就會變快，而且用詞就是會出現一些比較難的，像是討論到一些專業議題的時候，所以我覺得這學期我的韓文聽力有很大的進步。另外因為在交換學生的社團裡面結識了很多外國朋友，在英文能力方面也進步了很多，大家也相約以後要到對方的國家拜訪遊玩，感情很深厚。

26-4 交換/研修之具體效益 (請條列式列舉)

1. 語言能力的增進 (韓文、英文)
2. 結識各國好朋友
3. 探訪許多韓國的城市、品嚐當地美食
4. 學習知識

26-5 感想與建議

我很喜歡這學期的日子，在這邊有許多美好的回憶。給學弟妹的建議主要有幾點，第一個是千萬不要買萬國插頭來這邊！因為很多插座都是凹進去的，萬國插頭太大了會卡住。買最便宜的那種轉 220V 的就可以了，如果沒有也沒關係，很多便利商店都有賣。第二個是獨自一人的時候提高警覺，特別是在外旅遊或是去比較鄉下的地方，或是比較晚的時候，因為最近也發生很多社會案件，蠻嚇人的，如果一個人獨自很晚待在外面，盡量不要露出是外國人的餡(講英文、中文之類的)、注意自身安全。第三個是搭計程車時很推薦使用 kakao T，一來很多計程車司機英文不好又老花，所以如果給他直接看韓文地址他可能看不清楚，溝通又有障礙，但是 kakao T 的用法就跟 Uber 一樣 (不過韓國沒有 Uber 只有 kakao T)，

可以輸入目的地，這樣就可以直接到那個地方。二來是這樣系統就會留下紀錄，如果發生什麼事情感覺比較查有對證。但是司機在來之前會打個電話給你，所以還是要有一點點韓文基礎再使用就可以。

1. Introduction Of SNU

Founded in 1946, Seoul National University is considered to be the most prestigious university in the country. The university has three campuses: the main campus in Gwanak and two additional campuses in Daehangno and Pyeongchang. The university comprises sixteen colleges, one graduate school and nine professional schools. The student body consists of nearly 17,000 undergraduate and 11,000 graduate students. According to data compiled by KEDI, the university spends more on its students per capita than any other university in the country that enrolls at least 10,000 students.

2. Lessons

In this semester, I took two lessons, and they were all taught in Korean. One is called "Psychology Of Interpersonal Relationship". In this class, we have an 8-people group which consists of students from different backgrounds on the purpose of discussion diversity. We have class group discussion in every class, and we have to hand in a report after it. There is no midterms for this class, but we have a final, a personal report of our own personal relationship improvement and a group project. For the grading, it is based on the percentage of performances. (i.e: top 30% will get A+). The another class I took is the seminar of our department. It is quite similar with the one we have in NSYSU MIS. And for the grading, it is mainly based on the appearance. If you do not skip more than 3 classes, then you can pass it.

3. Extracurricular Activities

I am a member of the school club called "SNU Buddy" this semester. It is a school club that has some Korean buddies to help foreign students with their lives in SNU. I made many good friends there and had unforgettable memories. During this semester, we have several activities like wearing Han-bok(the traditional custom) in the palace, drinking So-Ju in a Korean bar, having "member training" trip in Gangwondo, and also watched the professional baseball game in Jamsil stadium. I really recommend foreign students to sign up for the club.

4. Accomplishments

- a. Improvement of my language skills(both English and Korean).
- b. Making friends with foreigners.
- c. Visiting local cities and having local meals.
- d. Knowledge from the classes

5. Advice

First, do not bring "IWC plugs" with you. Since most of the sockets in Korea are hollow, the IWC plugs may not fit them. So I recommend you to bring the simplest plugs with you when you visit Korea. If you did not have any with you, you can also get them in convenience stores on campus. Second, when you need to catch a taxi, I

recommend an app called “Kakao T”. It works like “Uber”, and you can enter the definition at first to avoid unreasonable charging. Also, since some taxi drivers are around age 40-60, and may not be good at English, you can avoid these problems by using Kakao T. Last but not least, always be careful and keep your attention when traveling around by yourself. Because there are more and more crimes happening in Korea these days. Besides, it would be better if you just pretend that you are a local when being alone, since a “foreigner” may be a target for stalkers and criminals.
