10:00-10:45	Sicao Green Tunnel	The most memorable image of Sicao Green Tunnel is the mangrove forest on either side extending over the water to form a tunnel. The still surface of the water reflects the green leaves, creating a dream-like fantasy waterway, and because of its dense forest it has been given the nickname "Little Amazon River".
10:45-11:00	Transfer	From Sicao to Anping
11:00-11:45	Anping Treehouse	Anping Tree House was built around the end of the 19th Century, after over a hundred years of transformation, the warehouse wall is covered in banyan roots, and the dense, towering treetops seem to have become the roof of the warehouse.
11:45-12:00	Transfer	From Anping to the restaurant

Time	Content	Note
12:00-13:30	Lunch	Stir-fried restaurant
13:30-14:00	Transfer	From the restaurant to Ten Drum Culture Village
14:00-16:50	Ten Drum Culture Village	Ten Drum Culture Village occupies approximately 5 hectares, and contains 16 old warehouses built during the Japanese Colonial Period. Through careful planning, new life has been given to the century-old sugar factory that had been left unused. Its miraculous rebirth incorporates the Ten Drum Band's innovative Taiwanese drumming music to give you Asia' s first drumming themed international art village. * Including a must-see drum show (15:00-15:40) and a free fall and/or 360° VR experience.
16:50-17:00	Meeting Point	The meeting point will be announced on site.
17:00-	Return	Bus A return to NCKU, CCU; Bus B return to NCHU & NSYSU

* The schedule is subject to change and the final schedule will be sent to participants before the event.
